

Central Idaho Fire and Fuels Workshop

Long-Term Vegetation Recovery and Reburn Potential

Mon – Wed, June 11-13th, 2018

Program

Monday, June 11

13:00-13:15: Welcome, Workshop Objectives	Andy Hudak, Susan Prichard
13:15-13:30: Presenter introductions & Q-sort introduction	All
13:30-13:50: Past-Present-Future Burn Severity Trends	Penny Morgan
13:50-14:10: Fuel longevity, accumulation following wildfire	Camille Stevens-Rumann
14:10-14:30: Landscape-Scale Veg Recovery Trends	Ben Bright
14:30-14:50: Discussion	Andy facilitating
14:50-15:10: Break	
15:10-15:30: The role of fire refugia in ecosystem recovery	Arjan Meddens
15:30-15:50: A decade of ecosystem monitoring	Sarah Lewis
15:50-16:10: N. Rockies Veg Community Responses	Eva Strand
16:10-16:30: Climate-mediated dry ponderosa pine recovery	Beth Newingham
16:30-17:00: Discussion	Beth facilitating
17:00-18:00: Break	
18:00-19:00: Group dinner (provided)	

Tuesday, June 12

07:00-08:00: Breakfast (provided); Pack your lunch (provided) for later	
08:00-08:20: Introduction to the reburn project	Bob Gray/ Susan Prichard
08:20-08:40: Vegetation and fire dynamics	Bob Gray
08:40-09:00: Wildland fire management scenarios	Susan Prichard
09:00-09:20: Climate change and landscape resilience	Susan Prichard
09:20-09:40: Discussion	Susan & Bob facilitating
09:40-10:00: Break and load in to vans	
10:00-11:30: Drive to Secesh Meadows (with a stop at Camille's old sites)	
11:30-12:00: Eat our packed lunches	
12:00-13:00: Walking Tour of Loon Fire – Burgdorf Fire reburn	Susan, Bob, Andy
13:00-14:00: Drive-stop-view East Zone Fire to Warren & back	
14:00-16:00: Return to McCall	

Grad Student presentations

16:00-16:20: Long Term Effects of Treatments in Pondo. Forest	Jessie Dodge
16:20-16:40: Seedling regeneration	Darcy Hammond
16:40-17:00: Discussion	Eva facilitating
17:00-18:00: Break	
18:00-19:00: Group dinner (provided)	

Weds, June 13

07:00-08:00: Breakfast (provided); Pack your lunch (provided) for later

08:00-08:10: Split into 2 parallel focus groups Cat, Amanda

08:10-08:30: Past Cat, Amanda

08:30-09:00: Present Cat, Amanda

09:00-09:45: Future Cat, Amanda

10:00-11:00: Closing discussion: Wildland fire/fuel management strategies

11:00: Adjourn

11:30-12:30: Presenter focus group
